

**BREAK THE SILENCE OF A WINTER'S DAY BY SINGING AT THE TOP OF YOUR LUNGS:
SNOWFLAKES AND CUPCAKES** (To the tune of Raindrops and Lemon Drops)

If all the snowflakes were chocolate-covered cupcakes,

Oh, what a snow it would be!

I'd go outside, with my mouth open wide,
(Open your mouths and stick out your tongues.)

Ah ah ah ah ah ah ah ah!

If all the snowflakes were chocolate-covered cupcakes, Oh, what a snow it would be!

**AFTER A REALLY BIG SNOWFALL,
TRY BUILDING AN IGLOO.**

Fill buckets or shoe boxes with snow to mold 'bricks.'
Use a spray bottle full of water to melt the bricks
together. Tell your child that some people live in
houses made from snow and ice.

**SHOW YOUR LITTLE ANGEL
HOW TO MAKE A SNOW ANGEL!**

But don't stop there! Make birds, trees and other shapes
in the snow. Shuffle your feet to make an outline
of a house or heart in the snow.

Teachable Moments happen every day!
